Side sewer permit

### **Instructions for Applicants**

**Please read and follow all instructions on your application carefully.** Most permits require additional permit information such as worksheets, certifications, letters, reports or plans. Refer to the application forms for required information. Staff will not process incomplete applications. See the current Fee Schedule for a complete list of charges, available online. The City of Brier accepts check or cash only.

# PUBLIC WORKS APPLICATION

I certify that the information provided in this application, including all attachments, is true and correct to the best of my knowledge and that I am or represent the owner and am acting with the owner's full knowledge and consent. I understand that this application <u>does not</u> constitute approval of permits and/or work to be performed and that... **Initials** 

\_\_\_\_\_ ... It is the applicant's responsibility to request required inspections a <u>minimum</u> of twenty four (24) hours in advance at (425) 775-5440.

\_\_\_\_\_ ... Issuance of a permit does not in any way replace, modify or waive any requirement for the compliance of the proposal with other applicable standards or regulations. It is the responsibility of the owner / applicant to become aware of the requirements of the Brier Municipal Code (BMC). The approval of any plans does not guarantee that all provisions of applicable codes have been met.

\_\_\_\_\_ ... This permit applies only to the property for which it is approved and is non-transferable.

\_\_\_\_\_ ... An application may be amended only in writing.

\_\_\_\_\_ ... Submittal of this application grants city officials the right of entry to the project site during reasonable hours.

\_\_\_\_\_ ... Items with any typewritten information must be 10-point font or larger to ensure legibility of scanned documents.

\_\_\_\_\_ ... One original set of City-approved plans and the issued permit shall be on site at all times. Removal, mutilation or concealment of the permit before final approval is punishable by law.

\_\_\_\_\_ ... By submitting this application, I consent to pay additional inspection costs, if any, and any fees incurred for engineering or outside consultant review.

### APPLICANT ACKNOWLEDGEMENT

I have read, reviewed and understand the conditions state below and I am familiar with Title 13 of the Brier Municipal Code regarding sewer permits.

Initials

No work shall be covered prior to inspection. A completed as-built is required prior to final approval.

It is the applicant's responsibility to request required inspections a minimum of twenty four (24) hours in advance at (425) 775-5440.

It is the applicant's responsibility to ensure that all applicable codes are complied with and that all contractors and subcontractors are licensed to do work in the State of Washington and the City of Brier.

The permit shall be on site at all times. Removal, mutilation or concealment of this permit before final approval is punishable by fine and imprisonment.

Signature of Applicant:	Date:
Please Print Name:	

**NOTES** 1. A Side Sewer Permit is valid for one hundred eighty (180) days from the date of issuance.

- 2. Work within the city right-of-way requires a separate Street Opening / Right-of-Way Use Permit.
- 3. A Street Cleaning deposit is required for any work involving hauling material or other items to or from the subject site.
- 4. A backflow valve may be required.

5. By submitting this application, the owner agrees to hold the City harmless for the work performed under the permit.
